Dear Reader

Welcome to the 2017/18 Directory of Members for the Heathfield Chamber of Commerce. We are delighted to represent such a diverse and growing range of businesses within our area.

We are a vibrant group with a strong programme of networking events which include bi-monthly business breakfasts, open business meetings, social events and networking opportunities with other chambers. We run Wealden Business Expo – Heathfield's own business exhibition. We also support local charities and this year we are working with Wealden Works who get 16-24 year olds back into education, training or employment.

We hope that whether you are a member or a non-member of the Chamber you will actively support the wide range of events we run to support local business.

Trevor Goldsmith
